MEMORANDUM FOR: All DDO Training Officers
and All DDO Reports Officers

SUBJECT : Moving Intelligence Information Reports
and Requirements Course and Intelligence
Information Reports Familiarization
Course [REDACTED]

25X1A

1. It has been suggested that both the Intelligence Information Reports and Requirements (IIRR) and the Intelligence Information Reports Familiarization (IIR Fam) Courses, now held at Chamber of Commerce Building, be transferred [REDACTED]
[REDACTED] This would result tentatively in the following:

a. The IIR Fam would cease to exist as a separate course. Most of the instruction previously contained therein would be incorporated at various points into the Operations Familiarization Course, a four-week course [REDACTED]

b. The [REDACTED] would attempt to cover the IIRR by scheduling the instruction for one week, plus one or two evening sessions. Many of the outside speakers would probably be eliminated from this course because of logistics problems.

2. It would be appreciated if you would let this office know your reactions to the movement of these courses [REDACTED] If possible, it would also be helpful if components could estimate the number of students they will have for these two courses for Fiscal '76.
